Re: Urgent Notification for Postponing the APSC 2020 Kyoto

Many thanks for your continued support for the APSC 2020 Kyoto.

We regret to inform you that the APSC 2020 conjunction with JCS2020 Kyoto will be postponed due to the COVID-19 epidemic.

We are planning to bring the APSC 2020 Kyoto sometime in Summer.

The program will basically be the same as originally planned with some minor modification.

We will contact you individually regarding your availability for the meeting shortly.

We apologize again for such short notice.

Best Regards,

Takashi Akasaka
APSC2020 Congress Chairperson
